

2022 Mission Life Grant Applications

Due February 15

The 2022 grant process is now open and non-profit organizations are encouraged to apply for funds. In 2021, Montview's Mission Life Committee granted more than \$75,000 in funds to more than a dozen local and global mission partners. If your organization received funds in 2021, a Financial and Activity Report must also be included with your new application. Both forms can be found below.

Reach out to Mission Life Coordinator Jen Seward, seward@montview.org, with any questions.
