## **Montview Boulevard Presbyterian Church Mission Life Committee Expectations of Grant Recipients**

**The Mission Life Committee of Montview Boulevard Presbyterian Church responds to God's call by educating, equipping and inspiring the congregation to listen respectfully and learn as we develop collaborative relationships that address the needs of our community and the world.**

The Mission Life Committee of Montview Blvd. Presbyterian Church ("Committee") believes its grant awards create a relationship between the Grant Recipient and members of Montview Boulevard Presbyterian Church ("Montview"). Because relationships are built on shared expectations, the following identifies the Committee's expectations of Grant Recipients and what Grant Recipients can expect from the Committee.

### **I. Expectations of Grant Recipients:**

1. The Mission Life Committee would like to provide opportunities for the Grant Recipient to educate the Montview community and recruit its participation in and support of the Grant Recipient's work. Following the mutual agreement of the Recipient and Committee, Recipient's efforts to address this goal MAY include:
  - a. Efforts to educate Montview members about the Recipient's work by:
    - i. Participation in a "Mission Fair"
    - ii. Participation in a Montview Adult Education session
    - iii. Presentation of a "Mission Exhibit" during one or more Sunday morning social hour
    - iv. Preparation and presentation of a "Minute for Mission" during Sunday Worship
    - v. Preparation of bulletin announcements and short newsletter articles about the Recipient's activities and any need for further support
    - vi. Requests to specific persons for specific support
2. Each Grant Recipient will provide the Committee an annual Financial and Activity Report that among other things:
  - a. Describes its accomplishments during the year, including activities, clients served, use of overall funds and use of Committee grant funds. We seek this information in terms of quantifiable goals and outcomes, as noted in Sec. 5.c. of your Grant Application form
  - b. Identifies an approximate number of Montview members and an approximate number of non-members participating in and supporting the Recipient's work, and describes the general nature of this participation and support.
3. Grant Recipients will recognize Montview's contributions, as appropriate.

### **II. Expectations of the Committee:**

1. Grant Awards are a pledge and are subject to the availability of funds. Timing of disbursements is based on church cash flow.
2. Unless specifically designated otherwise, Montview's Mission Life Coordinator will be the point of contact for each Grant Recipient. Jennifer Seward, Montview's Mission Life Coordinator, may be contacted at [seward@montview.org](mailto:seward@montview.org) or at 303 919 1917. The Montview Mission Coordinator will coordinate each Grant Recipient's efforts to educate the Montview community, recruit participation, and seek other support. This assistance may include active participation in these educational efforts by the coordinator and Committee members. All Grant Recipients, including long-time Recipients and Church member Recipients are reminded to coordinate such efforts with the Montview Mission Coordinator.
3. The Committee's support of each Grant Recipient will include participating in the Grant Recipient's events, offering information about the Grant Recipient and its work to Montview members and others, and promoting the Grant Recipient's work to the Montview community in formal and informal ways.
