

Witness to the Light of Christ Christmas Eve | 7:15pm

Join us for an outdoor Park Hill community-wide gathering to celebrate the Light of Christ coming into the world. Gather on the sidewalks along both sides of Montview Boulevard between Albion Street and Krameria Street as a public witness of hope on this holiest of nights. **Bring your own candles and lighters, and plan to find your sidewalk space along Montview Boulevard by 7:00pm. We will begin our witness by lighting candles at 7:15pm** as our church's carillon (bell tower) plays *O Come All Ye Faithful*. The carillon will continue playing Christmas carols until we conclude our candlelight witness at 7:30pm when the bells play *Silent Night*.
