Friday, August 23 | 7:00pm (Sanctuary)

From director Dan Partland and producer Rob Reiner, the exceptional documentary, “God and Country,” looks hard at the implications of Christian Nationalism and how it distorts not only our constitutional republic, but Christianity itself. Featuring prominent Christian thought leaders, “God and Country” asks this question: What happens when a faith built on love, sacrifice, and forgiveness grows political tentacles, conflating power, money, and belief into hyper-nationalism? Please join us for this engaging film and discussion.
