

All Church Read: *The Spirit of Justice* by Jemar Tisby
Three Sunday Lunch and Small Group Discussions
Feb 2, 9, and 16 | 12:00pm (Fellowship Hall)

We are encouraging everyone to read Jemar Tisby's latest book, *The Spirit of Justice*, and then discuss it in three small group sessions after church in February. The book profiles people of faith throughout history who have the courage and imagination to pursue a better future, and inspire our own resiliency and faithfulness too. "When the struggle for racial justice gets discouraging, history can give us hope. These true stories from the past will inspire you to keep up the fight." (The book is available for purchase in the Commons.)
