

Older Adult Faith Journey Writing Workshop

August 25 or September 22 | 9:00am (Reception Room)

Join us to explore your faith journey through writing. Lighthouse Writer's Workshop instructor, Joy Sawyer, will guide us through prompts and creative conversation to identify and reflect on significant moments in your faith, big or small, and express them through spiritual journaling. Sharing is optional, and no writing experience is necessary. Come experience the power of storytelling for yourself.

We are offering two identical classes. Please register for only one. No charge. Registration required – class sizes capped at 20 participants each.
