

Loaves & Fishes Food Drive

Most of us know the story of the Loaves and Fishes. A large crowd had gathered to follow Jesus and the disciples did not have enough to feed them. Jesus took five loaves and two fish, blessed and multiplied them, and everyone enjoyed the abundance of food.

1 in 8 Coloradans are experiencing food insecurity, including 1 in 7 children. Jesus calls us to be His hands and feet, modeling Christ's love to our neighbors. In this spirit, Montview is hosting a Loaves and Fishes Food Drive from September 6 through October 4. Food items will be collected in the Commons. The items will be shared with the Greater Park Hill Community Food Pantry and The Fax Partnership, serving low-income immigrant families along the East Colfax corridor.

You can help by donating some of the food items listed below.
